ADDITIONAL RULES OF ENTRY

- Youth eligible to exhibit in this department are those enrolled in a 4H, FFA, or other approved youth group carrying a similar supervised program in a Sheep project area.
- Only one entry may be entered under each lot number.
 - Exception: Class N: Sheep Market Class

REQUIREMENTS, REGULATIONS & RULES:

A complete list of animal exhibit rules can be found in the '**General Rules for Junior Division Exhibitors**' section of the premium book. All rules within that section of the premium book apply, in addition to the information documented herein.

Animal Identification:

- All Sheep to be exhibited at the fair must be identified with official scrapie ear tags or other official scrapie identification.
- Exhibitors using ear tags for identification are responsible for replacing lost tags and reporting old and new tag numbers to the department Superintendent.

Required Records or Documents:

- Exhibitors must turn in record keeping documents from their project to the department Superintendent at check-in.
 - 4-H Project Record Book pages or FFA SAE Award Application qualifies.
 - Other record forms need to be submitted to the Fair Board in advance of the Fair for approval.
 - 'Youth Livestock Project Record' form (choose the correct grade) for Market Lambs only.
 - 'Livestock Managerial Project Agreement' form if the animal is not owned by the exhibitor.
- All records must be signed and fully completed, NO EXCEPTIONS!

Animal Health:

- All health requirements set by the State of Wisconsin DATCP must be met before the animals are allowed entry at the Fair.
- No sheep are to be unloaded from trailers on entry day until health papers are turned in and the animal is checked in by superintendent.
- Make sure health papers are filled out completely.

Additional Rules for Exhibits:

- Exhibitors entering two market lambs will select one of their entries to be in the ultrasound carcass class. The selection must be reported to the superintendent immediately following weighing of the animals.
- Real-time ultrasound will be used to determine carcass measurements on market lambs. The judge will not have access to ultrasound data before judging the market lamb class.
- Exhibitors will report the market lamb they want entered in the ultrasound contest to the department superintendents at the time of check-in on Wednesday evening.
- All live and Ultrasound Lambs must meet all market lamb requirements.
- Breeding animals of wool breeds shall be shown with 2 inches of fleece or less.
- All other breeds shown in breeding classes shall be shown with 1 inch of fleece or less.
- Market lambs shall be shown with no more than ¼ inch of fleece and must be sheared before weigh-in.
- Both weather and ewe lambs are eligible to show in the market classes.
- Ewe lambs shown in the market class cannot be shown in a breeding class. All live and Ultrasound Lambs must meet all market lamb requirements.
- A pen of market lambs consists of two market lambs.
- Sheep with horns longer than 1" (measured from the hairline), will not be permitted to show. Loosely attached spurs (not attached to the skull) are allowed.
 - Exception: If the horns are the breed standard such as British blackface or Jacob. The showing of these animals with other animals in class will be left to the discretion of the judge.

Weigh-In Requirements and Performance Standards:

- Lambs must be weighed on test and identified at the time and place specified by the Oconto County Youth Livestock Committee and Fair Board.
- Exhibitors are responsible for transporting their lambs to the fairgrounds to be weighed.
- Exhibitors may weigh-in four (4) lambs and may show two (2) lambs in the market class and one of those market class exhibits in the ultrasound carcass class.
- Livestock market project animals will be weighed off test (i.e., move through the scale) only one time. Preliminary weighing or reweighing of underweight animals at the Fair is prohibited.
- Lambs must be identified by the individual exhibitor, not by family.
- **The following performance standards must be met for lambs to qualify for the Sale of Champions: *Live Market Class and Ultrasound Class***
 - Minimum average daily gain on test: 0.40 lbs.
 - Minimum finished weight: 90 lbs.

Department Definitions (as defined by ATCP 160.08):

- **Spring Lamb:** Born on or after February 16 of the exhibit year.
- **Fall Lamb:** Date of birth is between September 1 and December 31 of the year preceding the exhibit year.
- **Winter Lamb:** Date of birth is between January 1 and February 15 of the exhibit year.
- **Yearling Ram or Ewe:** Born outside the date of birth limitations listed above. The age of yearlings may be subject to verification by a veterinarian's examination whose findings shall be final.
